Subject: Draft Sampling and Analysis Plan Addendum for the Former Landfill Site
Investigation, Contaminant Screening Study, Libby Asbestos Site, Operable Unit 4

Dear Ms. Churchill:

CDM Federal Programs Corporation (CDM) is pleased to submit the Draft Sampling and Analysis Plan for the Former Landfill Site. This plan details the site-specific requirements to conduct remedial investigation activities at the former landfill. If you have any questions or concerns, please call me at (720) 264-1116.

Very truly yours,
